

March 20, 2017

Meeting called to order by Mayor Chris Mullins.

Roll call taken. Nate Waldschmidt and Dave Stahl absent.

Julie Wolf made a motion to approve minutes, seconded by Roger Nenne.

Dan Small made a motion to approve bills, seconded by Roger Nenne.

Dan Small made a motion to approve Treasurer's report, seconded by Roger Nenne.

Chris gave an update on the progress of the septic permit to be issued at a residence in town.

Discussed drainage issue on Northridge Drive and Reiter intersection.

Discussed house that is being built in town and the water issues on the lot.

Discussed budget for oil and chip work for the year.

Julie talked about park budget and what improvements may need to be made to the camera system down there as well as lighting. She also mentioned possibly replacing the slide as well as cleaning the equipment.

Chris gave an update concerning the recent construction project at the elevator. They are working on ways to lessen dust as well as keep area cleaner during construction. There is also a concern with possible damage to road that goes between the scales and the pit during construction. They also mentioned issue with standing water at Washington and State Streets after concrete work was done.

Dan Small made a motion to adjourn, seconded by Neil Heineke.

Next meeting will be April 3, 2017.
