RBI reports are done.

Discussed that the EPA is asking for all the supplies lines in town be inspected by April 2023 for lead. Need to come up with a process to get this done by deadline.

Roger Nenne brought up that part of the St. Paul Lutheran Church's sidewalk that they own has to be replaced. They want to know about the town's part of the sidewalk that joins their sidewalk, if it can or should be redone by the town or what is the proper way to go about this.

Roger Nenne made motion to adjourn meeting, seconded by Jeremiah Samuelson.
