Village of Benson Board of Trustees Meeting.

Called to order by Mayor Chris Mullins

Roll Call-Neil Heineke, Julie Wolf absent

Nate Waldschmidt made motion to approve minutes, seconded by Roger Nenne.

Discussed Supply Line Inspection sheets. Trustees went door to door and inspected the homes of the residents that hadn't turned one in yet. Most are done and handed in. Still have some that need to be turned in.

Pipco, Stark and JC Dillian will be contacted by Frank in regards to the manhole installment on Front Street. Will also contact Nicor Gas Co.

Chris will contact Justin Hodel from IN LINE CONSTRUCTION about the leak in the roof of the village hall.

Chris Mullins went and got a couple tons of salt from Valley Sand & Gravel, to make sure we had some more in case of bad weather yet this winter.

Discussed getting a survey done of the alley by the dump. This is in regards to a tree with a tree house on it. We want to make sure it is on village property before we take down tree/and tree house for safety reasons.

Nate Waldschmidt made motion to adjourn meeting, seconded by Jeremiah Samuelson.
