Midstate Asphalt spray patched the streets.

Amigoni Construction and Hunter cleaned out the tile on Front Street and found bricks, concrete block and some metal rods. They will clean out more tiles when time permits.

Will have a wash out of the water tower in September. Will be using the VSP (variable speed) pump while this is going on. This will not disturb any flow of water.

We purchased a new air compressor for Eric Gerdes to use for maintenance of the water system/ pump houses.

Eric Gerdes replaced 3 more water meters and still have 5 left to be replaced.

There are 12 unpaid water bills, we will start the process of shutting these off if not paid immediately.

Roger Nenne made motion to adjourn meeting, seconded by Jeremiah Samuelson.
