Meeting called to order by Dan Small.

Roll Call taken. Barb Hostetler absent.

Dave Stahl made a motion to approve minutes, seconded by Neil Heineke.

Neil Heineke made motion to approve bills, seconded by Nate Waldschmidt.

Twin Supplies paperwork has been filled out for grant for LED lights and fixtures for village.

Quote for Suez of \$18,657.00 for pump house was agreed upon to have the cost paid over a period of 3 years adding it into the original quote. This will be approx.. \$6000-\$7000 each year for 3 years.

Suez was here for town meeting at 6:30 to provide information for the village residents. Murray Manley was in attendance.

Chris Mullins called IDOT about the sink hole/drainage problems on Rte. 116 by the empty lot (of what used to be gas station). They will come out and access the problem.

Chris, Neil and Dave looked at the camera footage from the drainage pipes on RTE.116 and Reiter St. Found tile on south side that was broke. Also found on North side a root ball in the tile by Neil Heineke House. Dave will shoot camera at another angle coming in from down Northridge Drive toward Heineke property to see what if any problems are there.

Nate Waldschmidt made a motion to adjourn, seconded by Neil Heineke.
