Discussed the bill for Vermeer which was for rental and insurance on the Jetter Vacuum truck that was used to clean out storm drains in town. Chris gave a big Thank you to Clint, Brian and the kids for the great job of cleaning the drains. Also discussed that we will get some free dirt from Amigoni Construction to fill in yards around the drains, will also plant grass seed. Clint Kearfott brought up that the Village might consider renting or buying a rodder and probe which can be used on the Vermeer truck to locate tiles.

Will discuss the bid from CIA for the AC/Furnace that might need to be replaced.

No estimated time on Beyers Tree Service on when the work will start.

Chris will get prices from Midstate Asphalt to patch the streets.

Chris mentioned that the Engine 1 food truck would like to come into town one night a week to serve food. Board agreed this is good idea as long as it doesn't interfere with the nights that AJ's serves food. Chris will contact Engine 1 and AJ's.

Roger Nenne made motion to adjourn meeting, seconded by Nate Waldschmidt.
