Meeting called to order by Major Chris Mullins.

Roll Call taken. Dave Stahl and Roger Nenne absent.

Julie Wolf made a motion to approve minutes, seconded by Nate Waldschmidt.

Credit Card bill was approved by Neil Heineke and seconded by Nate Waldschmidt.

Chris Mullins informed us that a letter was sent to Wiegand Disposal to sever the garbage contract with them. The contract states we have to notify them within 60 days of contract ending (which is August 31st 2017).

We will be taking new bids for next contract.

Discussed the property deed warranty for the property for the New Fire Department which is the corner of RTE 116 and Reiter Street.

We have had some questions and inquiries into Zoning Classification Maps with realtors for home sales. Will be looking into that.

Discussed having the Handicap spots marked properly. Woodford County states that having just blue on the curbs is not efficient enough to enforce the handicap laws. Need wheelchair painted on street and handicap signs marking spots.

Discussed a water leak at 101 Church Street. Needs to be fixed before water turned on for new tenant.

Discussed Water Tower situation with a variable speed pump. Also the water tower options.

Also discussed having a Town meeting on AUG 21st at 6:30 p.m. to inform residents about the fixing and maintenance of the tower. We will send out letter to inform people of meeting and the options.

Neil Heineke made a motion to adjourn meeting, seconded by Nate Waldschmidt.
