Visitor at meeting was Mitch Galloway. He was inquiring about a building
permit for a fence, he wanted to know measurements and ordinances for
property lines in regards to the fence. Also asked about the drain at his
house, (Amigoni Construction is going to raise it up) so he can put gravel in
for a side driveway, also inquired about if the alley by his house can be
graveled, it is now a grass alley. Board will check in with Amigoni
Construction about the cost for leveling it and Chris will find out a cost on
gravel. Board agreed there is no reason why that alley cannot be graveled.
